Nick, I'm sure you are up to your ears in response work. I've been given my marching orders to deploy the PHILIS labs to the Corpus Christi, TX area and was given your name as my POC. Labs are deploying from CO this evening and will be in the TX area sometime tomorrow. I'll coordinate with you around noontime tomorrow as to where we should drop them. Figure that they will not be easily moved once dropped, they are two (2) 53' trailers. My contractors will be showing up Wednesday evening or Thursday AM. Dave Bright of CMAD and myself will be on site by Thursday. Mike Nalipinski said you are (or region 6) is organizing rooms, and have already reserved 5 rooms for our (CMAD/PHILIS) efforts. My contact info is below. Call me if you need room info. I'll get the drivers of the 2 contact info as soon as I know.
